

## Hollow Tree Survey Badger Creek Sun 1 Oct 6 - 9 pm Badger Creek Old School

Join Healesville Environment Watch Inc., the Badger Creek Community and Mt Toolebewong & District Landcare to see what's living in the magnificent Manna Gums along the creek.

Not just common possums live here, but also Sugar Gliders and endangered Yellow-bellied Gliders, plus Boobook and Powerful Owls.

6 pm Nocturnal Wildlife Presentation

7 pm Survey of trees

8.15 pm Return to Old School for results & light supper

BYO cup, a fold up chair, torch, snack and insect repellent. Wear long pants & sleeves, covered footwear. **Book by Fri 29 Sept** as numbers are limited to [admin@hewi.org.au](mailto:admin@hewi.org.au) or **0418 999 936**. Suitable for ages 6 years & older. Children must be accompanied by an adult.

We thank Yarra Ranges Council for the grant to fund this event.
